“The Exchange in Peking was one of the most educational experiences of my whole life, both academically and personally. I experienced a different learning method and I met people with a global background. The exchange Program has widened my horizons: I learned that there is a whole world of opportunities waiting for us, and that it is up to each of us to grab them. My Chinese experience transformed me and made me understand what I really want to do in the future.”

MASTER OF SCIENCE CURRICULUM

• Program:	Finance Major in Investment Banking (expected graduation date: March 2018)
• GPA:	29/30
• Study abroad experience:	August - December 2016 Peking University - Guanhua School of Management - MBA Student From August to December 2016, Gheorghe studied in Peking for a semester at the prestigious “Guanhua School of Management, Peking University”, as part of the Exchange program.
